

## COMPARING LIFE IN KENYA TO MY LIFE

Jina langu ni \_\_\_\_\_.

The Global Corner taught us about three kids from Kenya. One was a girl named Nimfa who is from the Samburu tribe. The second was a boy named Juma from the Kikuyu tribe. And the third was Charles who lives in Nairobi. Here is a chart that compares their lives with mine.

	Me	Nimfa	Juma	Charles

Directions: Using the information you learned with The Global Corner list two or three facts about each element of the children's lives. Then list facts about your own life. In how many ways is your life the same as theirs? In how many ways is it different? For extra credit, make a Venn diagram that shows your findings.
