

G'Day Mate! Learn about Australia with The Global Corner.

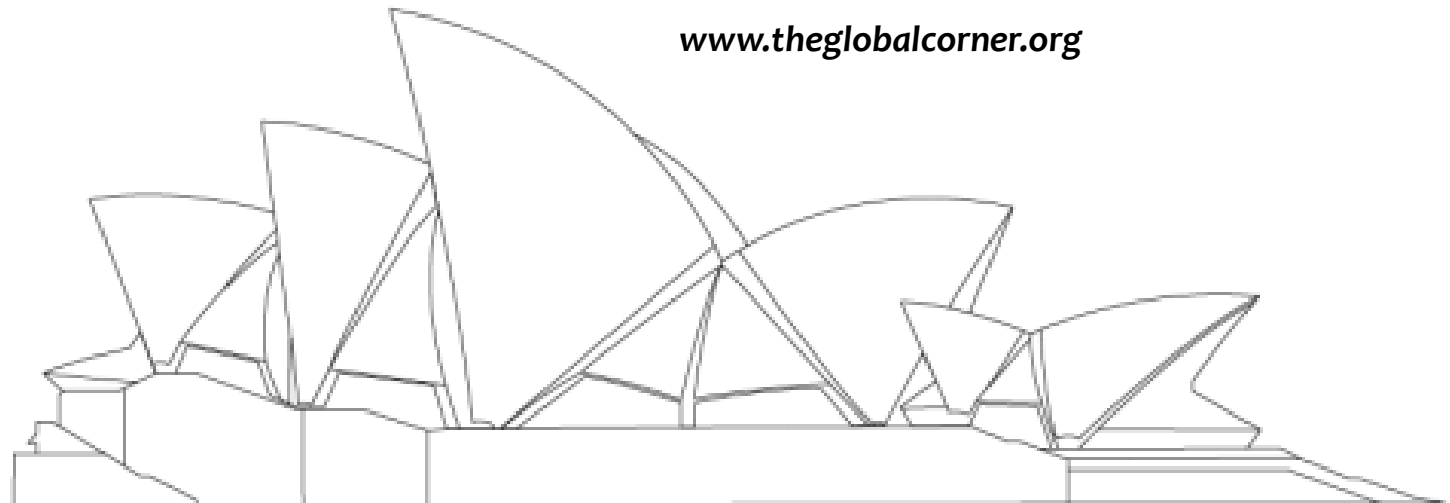

Color the six states and two territories.

Australia's flag has a Union Jack in the upper left corner, the Southern Cross constellation on the right side, and the Commonwealth star on the lower left. The background is navy blue.

One of the most recognizable buildings in the world is the Sydney Opera House. It was designed by Danish architect, Jørn Utzon who won a world-wide design competition in 1957.

Sometimes brilliant digital pictures are projected onto the white tiled roof. Check out Vivid Sydney!
