## Visits China

*Ni Hao, Friends!*

I'm Globert.

Join me and learn about  
The People's Republic of China

Designed for kindergarten—2nd grade

This is my book about China.

My name is \_\_\_\_\_.

I am \_\_\_\_ years old. This is what I look like.

Draw a picture of yourself.  
Remember to put in your hair,  
eyes, nose, mouth, and ears.

This is a map of China.  
Some people say it is shaped a little  
like a chicken.  
Can you make it look like a  
chicken? Add feet, eyes, and a  
beak!

This is the flag of China. Color it red with yellow stars.

Make your own flag in the space below. What colors are in your flag?

# Panda Maze

Help baby panda find her mother.

Did you know . . .

Pandas eat 20 to 40 pounds of bamboo every day.

Baby pandas weigh only 3 to 5 ounces and are blind when they are born. Grown pandas weigh up to 250 pounds.

There are only about 1600 pandas living in the wild.

Help me color these pandas!

# Sports

In China, kids like to play soccer,  
ping pong, basketball and volleyball.

Can you find the kuàizi in this picture?

Do you know how to eat with kuàizi?
